

European Intellectual Property Teachers' Network: Next steps

- ▶ Is the network useful as a resource for exchanging ideas on innovation and best practice in IP teaching and learning activities?
 - ▶ How can the network be built upon in the future?
- ▶ Should the multidisciplinary profile of the network be developed?
- ▶ Should the “European” coverage of the network be developed?
- ▶ Should on-going networking mechanisms, e.g. a dedicated website as a networking resource, be available in addition to the annual workshop?
